Following the previous letters that I have addressed to you regarding the repeated and continuing terrorist attacks by armed terrorist groups on the city of Damascus and its suburbs, and upon instructions from my Government, I have the honour to submit herewith a table clarifying the number of civilians killed and injured as a result of rocket-propelled grenades and mortar shells launched by armed terrorist groups against safe neighbourhoods in Damascus and its suburbs from 13 to 17 March 2018. These terrorist attacks have killed and wounded many civilians, mostly children and women, and caused serious damage to public and private property and infrastructure.
